Hello Probus Club Presidents & Newsletter Editors

It will be no surprise to any of you that Cornwall's Spring Fling 2020 is cancelled for this year because of the Covid-19 pandemic.

We hope to postpone it and try again next year in May 2021.

Some Probus members were rightfully hesitant to sign up and other clubs had already cancelled meetings & events for March, April , etc.

Now with governments closing stores, bars, restaurants etc. our decision was obvious.

Stay well !

We hope to see you in Cornwall next year !
