What a difference a week makes!

Due to the current Coronavirus, we have temporarily closed the theatre. Like you, we must do our part, because your safety and ours are our first priority together with the wellbeing of the community, audiences, artists, and volunteers.

We have made the decision to postpone our upcoming play Tempting Providence. We've also postponed Friday Night at the Movies and our ever-popular Shift Happens- Documentary series.

When it is possible to reopen our doors we will do so, sharing in the joy and excitement of entertaining you, our loyal supporters.

In the meantime, please stay safe and follow the guidelines our health care system has announced.

If you have already purchased tickets for any of our events or are a season pass holder, please know that in the event the shows do not open, you will be compensated.

Remember we're all in this together and the more kindness we practice, the easier it will be to get through this challenging time.

Stay safe, stay healthy, and take care of each other!
