

Dear fellow Probians,

Please find attached a Social Events Survey that is being distributed amongst the Perth Probus membership in regards to current and future activities being hosted by the Perth Probus Social Committee. Our goals are to:

- seek input on the events that we currently offer,
- gather additional ideas of interest in activities that could be investigated, and
- broaden our spectrum of locations through the richness of our membership.

Towards this end, we are seeking your input on this short but broad-ranging survey that we have created and are providing in two formats. Firstly, the PDF attachment ([click here to access](#)) can either be marked up digitally or it can be printed and completed manually. To enter digitally, you will need a fairly new version of Adobe Acrobat Reader DC ([click here for the most recent free version if you need an update](#)). When you open the PDF attachment, you will first need to save it as a PDF file on your computer and then open the file in Acrobat Reader. You will then need to click on the "Tools" menu at the top left and then click on the "Fill & Sign" tool. That will allow you to click on the boxes to enter your preferences or to enter your remarks in the text boxes. (Note: if the boxes don't automatically check off when you click on them, you may have to enter an "X" in the box.) When completed, please save the file again to your computer and then send this document as an attachment to read2read@outlook.com. Alternatively if you prefer to print the PDF form and enter your responses manually, either scan your responses and email this document directly to read2read@outlook.com OR bring your hard copy to our February 6th meeting OR mail your survey to 126 Sutcliffe Lane RR 5, Perth, ON, K7H 3C7.

If you prefer, the second attachment is the same survey in a clickable Word document ([click here to access](#)) which can be marked up digitally. If this document is compatible with your computer, please click on the boxes that best represent your thoughts and record details/suggestions in the text boxes provided. Save your completed survey to your computer and send this document as an attachment to read2read@outlook.com. Alternatively, this version may be printed and completed manually, with the results provided to us as indicated above for the PDF version.

If you are completing the survey digitally on a Mac computer, please ensure that that you Export your response to PDF format ~ Go to "File", "Export To", then click "PDF...".

Please note that we have not listed items that are hosted by other groups and supported by us. These include the Robbie Burns Dinner Dance offered by the Legion and the Sens game that is an RTO initiative. We are invited to participate in such activities from time to time and enjoy the opportunity to partner. However, it is the events that we plan as a club that are currently under review.

Your response to this survey would be greatly appreciated as we try to review our current events and infuse new and exciting ideas. All comments are welcome but we would like to work within a short timeline. Please email your document at your earliest convenience but no later than Monday, February 18th, 2019. Hard copies can be dropped off at the February 6th meeting or mailed by the February 18th deadline. This will enable the Social Committee to collate and analyse data for sharing with your Probus Executive in early March.

With sincere thanks,

Mary Kilgour and Gail Read
